Subject: Center for Curriculum Redesign

Dear Mr. Charles Fadel,

It is with great pleasure that I accept your invitation to participate in the Center for Curriculum Redesign as a member of the Board of Directors. I am very impressed by the proposal summary of the Center's mission, and the ideas you express are in accordance with many of my own.

I firmly believe that in light of recent political, social, and technological changes across the globe, developing innovative curricula is essential for the 21st century and beyond. It is my hope that the Center continues in its efforts to promote productive dialogue in curriculum development with the help of key stakeholders.

It is a great honor for KEDI to collaborate with government, international organizations, and academic institutions in tackling one of the most profound questions in education today.

Thank you again for your offer. I look forward to working with you and the Center in the near future.

Sincerely yours,

Sun-Geun Baek, Ph.D.

President

Korean Educational Development Institute
