Dear Mr. Fadel,

Deputy Minister Kevin Costante and I were pleased to hear about the work of the Center for Curriculum Redesign at Harvard and I was glad to attend the Futurists and Education colloquium on January 15th and 16th.

Ontario would like to accept your invitation to participate with the Center for Curriculum Redesign. Ontario, as you know, is in the midst of its own curriculum review process with the objective of keeping our curriculum current and relevant for students in 21st century. I believe our province's participation will be mutually beneficial. I look forward to collaborating with you and other participating jurisdictions and representatives on our shared interests in curriculum and assessment.

Please accept this letter as confirmation that I will be Ontario's key liaison with your organization.

Sincerely,

A handwritten signature in blue ink that reads "Grant Clarke".
