

Intellectual Virtues: What They Are and Why We Need Them

Barry Schwartz

October, 2014

The Four Questions

- What is worth knowing?
- What is worth doing?
- What makes for a good human life?
- What are my responsibilities to other people?

Intellectual Virtues

- Love of truth
- Honesty
- Fair-mindedness
- Humility
- Perseverance
- Good listening
- Perspective taking and empathy
- Courage
- Practical wisdom
