Dear Mr. Fadel:

I was pleased to hear about the Center for Curriculum Redesign at Harvard, sponsored by the Moser Foundation and supported by the Organization for Economic Cooperation and Development.

Alberta is pleased to have been invited to join the Board of Directors for the Center for Curriculum Redesign. We accept your invitation and look forward to collaborating with other key Programme for International Student Assessment jurisdictions, such as Finland, Singapore and South Korea, and representatives from academia, corporations and foundations on this important work for students. Alberta is in the midst of its own curriculum redesign initiative, so I believe our participation will be mutually beneficial.

Please accept this letter as confirmation that Ellen Hambrook, Assistant Deputy Minister of the Education Program Standards and Assessment Division, will be Alberta's representative on the board and our key liaison with you.

Sincerely,

Keray Henke
Deputy Minister
Alberta Education
